D4L Orientation Module: Self-Reflection Activity - Your Technologies Environments

Think about the technologies that you, yourself, use everyday. Think about the technologies that you're using for this program. And think about the technologies that you've used in the past. Please share and discuss: What is your technologies environment?

* Required

Your First Name (required) *

This is a required question

Your Last Name (required) *

1. What kind of Internet access do you have where you will be working MOST OFTEN when participating in D4L? (e.g. Cable, DSL, dial-up, Satellite)
